POOL CLOSURES MONDAY, SEPTEMBER 5

The Glenwood Pool will close for the 2011 season on Labor Day at 6pm in the evening. The pool has been very busy this year, and we have been very fortunate for a good season. Thanks to all of you for making that possible.

For those that were not aware, all bicycles need to be chained to the bike rack, with a lock. Neither Glenwood nor AAA our pool company has any responsibility for any personal items that might be lost or stolen while you are at the pool.

POOL PHOTO ID's

All Glenwood Recreation Pool cards will expire on December 31. We will have a new system for the 2012 season. New forms will need to be completed for all 1950 homes. Watch for additional details in the Fall Newsletter. Mark your calendars for published photo sessions, and plan to come out early.

BOARD OF DIRECTORS

FUTURE PLANNING

A reminder that the Board wanted all to be aware of a possible increase next year.

For the past three years the board has successfully maintained the assessments at their current level. The board is currently reviewing the financial situation of the association and with the increased costs and services for outside sources and vendors; there may be a need for increasing the assessments for 2012

COMMUNITY DROPBOX

The dropbox is located at the front of the building, so that you will be able to drive up to it and drop off any items that you have for the office including your assessment payments. Any association correspondence may be placed in the dropbox. It is checked daily.

MODIFICATIONS AND/OR ADDITIONS

Please remember to submit an application prior to having any changes made on your property. This includes but is not limited to sheds, paint, roofs, room additions, etc. If you are uncertain as to whether or not an application is necessary, we would rather have you err on the side of caution and send one in. Please be sure to include all plats, plans, dimensions, color samples, etc. necessary to fully explain your change.

Thank you in advance for your assistance in resolving matters before a notice needs to be sent. If you have a question as to whether or not something is in violation, please do not hesitate to give the office a call.

GLENWOOD NEIGHBORHOOD W.A.T.C.H. By Jim Sherman-Coordinator

There will be a Neighborhood Watch meeting on September 21st at 7pm in the Glenwood Community Center.

Thanks to everyone that attended the May meeting. We have been very successful gathering property addresses at our photo sessions, but we are still a long way from total neighborhood participation. With 1950 homes, we are at 277 homes represented and are working with Crime Prevention on several blocks at a time to get signs. Feel free to contact Jim at the above number to give him your name, address, email and phone to have you added to our master list. You can check what is going on in your neighborhood or on your street by going to www.vbgov.com and click on **epro**, then type in your street or subdivision to keep informed. **Epro** is about 10 days behind in their postings. We are

planning our next meeting for Wed. Sept. 21, 2011@ 7pm.

As always, remember to report suspicious activity to the **nonemergency # 385-5000, and all EMERGENCIES to 911.**

PAYMENT OF ASSESSMENTS

The Association is now using RBC Bank and SmartStreet for the payment of assessments. You will be receiving a new coupon for the September payments, and the 2012 coupons will arrive in December.

If you are ready to send the September payment, and do not have the new coupon, please send the payment directly to the office. The current PO Box has been closed, so please do not send payments to that address.

For your convenience with future payments, SmartStreet will have a set up for ACH and credit card payments. Additional information will follow in a later issue, and will also be posted on the website.

As always, please have your Internet checks sent directly to the office. Sending them to the bank without a coupon will delay posting of your payment.

These changes apply only to the payment of assessments. Payments for rental of the community center, or for the purchase of a mailbox must continue to be made by check or money order when the contract is signed.

BOARD OF DIRECTORS- FUTURE PLANNING

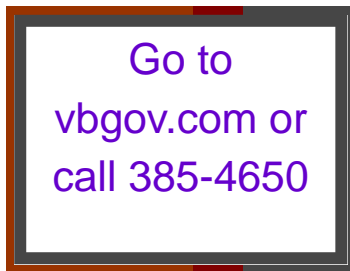

The Board wants to remind all owners to be aware of a possible annual assessment increase for 2012.

As previously noted, for the past three years the association has successfully maintained the assessments at their current level. The board is currently reviewing the financial situation of the association and with the increased costs and services for outside sources and vendors; there may be a need to increase assessments next year.

NEED BULK PICK UP?

Go to vbgov.com. On the home page, click on Bulky Item Collection, and you will be directed to the form to submit your request for pickup. There is a note regarding what the city will not pick up, and then you may place your items at the curb **on the morning of your regular trash day**.

You may also call 385-4650 to provide your information. **DO NOT PLACE ITEMS AT THE CURB ON COLLECTION DAY UNTIL YOU HAVE CONTACTED THE CITY FOR THE ITEMS TO BE PICKED UP.** They will not be picked up without a work order. If items are left at the curb, you may receive a notice of violation from the Association, and from the city.

RENTAL MANAGEMENT

If you are currently renting, or are about to rent out your home, please remember to include provisions in your lease that deal with the Association. You should have a clause holding your tenants accountable for any violations of the association documents, including the ability to charge back for violation assessments, and a provision for termination of the lease for continued infractions. Additionally, if you are having your rental manager handle your assessments, add a clause allowing the Association to discuss the financial status of your account. You will also need to provide the Association with your change of address.
